Sir:

This paper responds to the Office Action mailed June 24, 2010, under 37 CFR 1.105.

In compliance with PTO Rule 105, submitted herewith—together with an Information Disclosure Statement (IDS)—are copies of the references listed in the Office Action. English translations of the listed references not readily available to the parties from which they were requested. Nevertheless, as indicated in the IDS, a United States patent (cited in the IDS) is an English language counterpart of cited WO-A-01/11337 and an English abstract (obtained online) of FR-A-2774276 is provided with the IDS.

Favorable action is requested.

Respectfully submitted,

William E. Player
